## EXPERIENCE

**Office of the Richmond County District Attorney**, Staten Island, New York

*Intern, Special Victims Bureau*

August 2017 – November 2017

Reviewed medical records for information pertinent to cases. Shadowed attorneys in criminal court and interviewed victims. Wrote recommendations for placements within the Sex Offender Registry.

Researched judicial conflicts of interest; drafted a response to a motion to move a case to a different jurisdiction. Prepared evidentiary documents for trial.

**Transcend Legal**, Brooklyn, New York

*Legal Intern*

June 2017 - July 2017

Researched issues and drafted memoranda on legal issues affecting the LGBTQ community. Drafted comments on proposed New York State rules for health insurance coverage. Observed hearings in criminal court involving transgender defendants.

**New York City Department of Parks and Recreation**, New York, New York

*Legal Intern*

June 2016 - August 2016

Conducted research and drafted memoranda on topics including rental contracts and first aid liability. Processed Freedom of Information Law requests from other city agencies and private firms. Drafted cease and desist letters for encroachment cases. Coordinated with multiple departments within the agency to obtain information needed to support encroachment cases. Reviewed, updated, and expanded agreements and contracts for events held in parklands. Drafted an interagency contract.

**Law Firm of Barasch, McGarry, Salzman, & Penson, New York, New York**

*Intern*

June 2014 - August 2014

Performed medical research for ongoing litigation involving automobile accidents and medical complications. Drafted detailed reports related to medical malpractice issues. Shadowed attorneys and observed hearings in Bronx criminal court.

**Fire Department of the City of New York, Brooklyn, New York**

*WTC Medical Research Assistant*

May 2013 - August 2013; Winter 2014

Compiled and organized data from 4,000+ CT scan results. Analyzed CT scan reports to identify diseases. Calculated the progression of multiple nodules within patients over 1-12 years. Formulated data to help construct research papers. Attended research meetings to review projects. Trained other interns.
